

Loan Agreement between the _____ County SWCD and the Indiana Association of Soil and Water Conservation Districts for the film and screening rights to ***Green Fire: Aldo Leopold and a Land Ethic for Our Time***

Any Indiana SWCD may borrow Green Fire, but may not loan it to any other organization or individual. The screening license is valid only for Indiana SWCDs. The District is solely responsible for care of the DVD while it is in its possession and for ensuring its return to the Indiana Association of SWCDs.

The Green Fire DVD is available for loan for one fourteen-day period per year. While supplies last, the IASWCD will be able to give away Green Fire paraphernalia such as bookmarks and posters that borrowers can give away.

If a borrowing District loses or damages the DVD, they will be responsible for purchasing a new one from the Aldo Leopold Foundation and giving it to the IASWCD.

If a District holds a public screening of the DVD, please notify the Aldo Leopold Foundation as such using a form on their website: <https://www.aldoleopold.org/greenfire/addshowing.php>. This information helps the Foundation earn grants and other forms of support that made the film possible.

I certify on behalf of the above-mentioned SWCD that I have read and agree to the rules regarding borrowing Green Fire.

Signature of SWCD staff

Printed name

Date

Green Fire is due back to the IASWCD fourteen days after receiving the disk.
