

2025 Session IN General Assembly March 7, 2025 IASWCD Bill Tracker

First Session of the 124th Indiana General Assembly

Back to work! After taking a week off the Indiana General Assembly came back into session with each chamber now considering each other's bills. Out of the 1257 bills filed only 330 made it this far (38%). Several will not make this next step or find new homes in other bills. HB 1460 Drainage systems passed out 8-0 in the Senate Local Government Committee yesterday. And next week committee hearings have posted 1557 Prescribed burning and 1616 DNR agency for Monday at 10am in Senate Natural Resources. On Tuesday, Senate Appropriations will be introduced to the House version of the new two-year budget (1001) at 2pm. One other note this week; Governor Braun has now issue 36 Executive Orders as of March 5. Former Governor Holcomb issued 32 in his first year. A trend from DC?

You can watch all online and can find links below to follow schedules.
